Date.....August 18, 2006

Members Present.....Commissioner Greg Chilcott and
Commissioner Alan Thompson

Minutes: Glenda Wiles

Commissioner Thompson made a site visit to the Aspen Springs Subdivision in the Eight Mile area during the morning hours.

Commissioner Chilcott opened bids for the Corvallis CTEP Project. It was noted that the public notice for the call for bids was properly advertised by the Consultant on this project. All bids were received on a timely basis with the appropriate bonds and other bid requirements. Bids were as follows:

- Patterson Enterprises of Missoula – Bid #1: \$60,505.70. Bid #2 includes the base bid and alternative: \$62,310.70
- Mark Buck Construction of Missoula – Bid #1: \$62,954.00. Bid #2 includes the base bid and alternative: \$64,514.00
- Gregston Construction of Hamilton – Bid #1: \$46,799.50. Bid #2 includes the base bid and alternative: \$47,399.50

Commissioner Chilcott gave the bids to Engineer and Consultant Nathan Louke of Landworks for review and recommendation to the Commissioners.

The remainder of the day was spent in office management.
